Dear Mr. Allman:

① After our conversation, I reviewed Bob Jackson's testimony and found that he did not leave the car in which he was riding. Did you say you saw him on the knoll?

② I also meant to ask how the Secret Service made the almost immediate alignment that you were the man who spoke to Oswald on the steps of the TSBDB?

Thank you so much for your time.

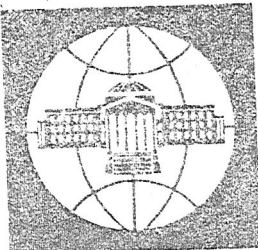

Sincerely,
Victoria Harris

Have written to Mr. MacNeil.

Bob was behind me - he may have jumped from the car and gone back. This conflict I can't explain.

③ I don't know. The SS said my testimony and Oswald's corroborated each other.

PLEASE
RETURN
Thanks.
